Counseling

- **Seniors! Don't forget! Decision Day is May 1st!** Make sure you get to be a part of the celebration! If you have made a commitment to a college, trade school, career or military branch, plan to attend the celebration taking place here at PHHS on the 1st at 8 am!! Family members are also invited to attend but you **MUST SIGN UP AHEAD OF TIME!** Use the following link to attend! <https://forms.office.com/r/Y5HgZ8NKeD>
- Are you interested in playing sports in college? Families are invited to participate in an NCAA webinar on Sunday, April 30th from 6:30–7:30 pm. See link to register! <https://mc97gsxn49y6wmpf4p2n764zq7z1.pub.sfmc-content.com/q5t4bub11pp> High school student-athletes focused on playing their sport at the NCAA level won't want to miss this informative hour with the Eligibility Center staff. Learn about the next steps, based on your year in high school and how the removal of standardized test score requirements may impact your eligibility experience. Parent/families/advocates encouraged to join!
- **Maryland Boys State Summer Program for Juniors**
Are you a male Junior interested in government, law, or politics? The 2023 Maryland American Legion Boys State program will be held on Sunday, June 18, 2023 through Saturday, June 24, 2023 at McDaniel College in Westminster, Maryland. **Tuition for the program is fully funded by The American Legion.** Attendees need to report on campus at the Gill Gym at noon on Sunday, June 18th. The graduation exercise is Saturday June 24th at 9:00 AM and parents and family members are encouraged to attend.
Website [//www.mdlegion.org/boysstate](http://www.mdlegion.org/boysstate) contains an overview of the Boys State program, the 2023 application portal, scholarship opportunities offered by McDaniel College and Samsung. Applications must be completed by May 1st.
- **Maryland Girls State Summer Program for Juniors**
Are you a female Junior interested in government, law or politics? ALA Maryland Girls State is a summer weeklong learning experience, often held at Salisbury University where rising seniors live in “cities” within a dormitory-like setting. Our program uses a nonpartisan curriculum where students assume the roles of government leaders, campaigning in mock parties (often called “Federalists” and “Nationalists”) to become mayors and county and state officials of their ALA Girls State. They offer both college and career readiness in our program. The program costs \$290 which includes housing, meals, a shirt, and a phone wallet **which is paid for** by an American Legion Auxiliary Unit. There is a \$45 registration fee that the attendee is responsible to pay, but this fee potentially can be covered by request to the sponsoring American Legion Auxiliary Unit. We encourage all interested young ladies in their junior year of high school to apply and we will work with them to find a sponsoring unit. Participants who are direct descendants of US Wartime Veterans or Active-Duty Service members are eligible to apply for the Samsung Scholarship which covers up to \$10,000 of the winner’s college tuition. There are a few other scholarships offered as well.

MAEOE Maryland Association for Environmental & Outdoor Education

For Immediate Release

The Maryland Association for Environmental and Outdoor Education Announces 2023 Maryland Green School Awards
MAEOE Certifies Perry Hall High School as a Maryland Green School

Baltimore, Maryland – (April 21, 2023) – The Maryland Association for Environmental and Outdoor Education (MAEOE) is pleased to announce that Perry Hall High School is recognized as a RECERTIFIED 2023 Maryland Green School. Maryland Green Schools are part of a national and international community of sustainable green schools. Our students are becoming better stewards of our Earth's resources and developing a better understanding of their own local environment. There are 642 active Maryland Green Schools, 36% of all Maryland schools.

Despite the challenges of the last few years, teachers and students have continued with school greening efforts. Outdoor learning benefits support interdisciplinary curriculum standards and student engagement.

Over the past two years, our school has demonstrated and documented a continuous effort to integrate sustainable environmental management practices, environmental education curriculum, professional development opportunities, and community engagement into our daily operations. This award signifies that our school has made a commitment to developing stewards of the earth and reducing the environmental impact of our school.

"MAEOE welcomes the 34 new Maryland Green Schools. Our students can encourage others to recycle, plant vegetables and native plants and be more mindful of simple steps like turning off unnecessary lights," said Laura Johnson Collard, MAEOE executive director. "Young people are increasingly aware of climate change and how their actions impact the community, we can learn from their commitment to making a difference."

MAEOE will celebrate with Green Schools, Green Centers and schools that are interested in knowing more about the program at the Annual Maryland Green School Youth Summit on May 18, 2023, at Sandy Point State Park in Annapolis.

About MAEOE: MAEOE is a non-profit organization. MAEOE's mission is to encourage, engage and empower the community to understand, responsibly use and promote the natural world. MAEOE's Maryland Green School program began in 1999. For a complete listing of Green Schools and Green Centers visit www.maeoe.org.
