From the Principal

Greeting PHHS Families,

As we ease into October, students and staff are settling into routines; hopefully your home routines are in full swing as well. I'm looking forward to experiencing my first Homecoming here at The Hall! I'm impressed by the traditions our SGA upholds and looking forward to Spirit Week and all the Homecoming events students and staff have planned. Please encourage your child to get involved in a club or organization to show their Hall Pride and make great memories at Homecoming. Read on for more details about Homecoming and Spirit Week.

We are a little more than halfway through Marking Period 1. Parents are encouraged to log into Schoology to view your child's progress and help them set goals to improve or maintain their performance.

Keep in mind that attendance is the number one factor impacting student performance. Parents should be receiving weekly attendance charts for your student(s) via email. As you see unexcused lateness or tardies pop up, please address the correlation of on-time attendance and success with your child. We appreciate your partnership in pursuing excellence for all students.

Mark your calendars:

October 9-13 – Homecoming Spirit Week

Friday, October 20th – Schools Closed for Teachers and Students – MSEA Convention

Friday, November 3rd – 3-Hour Early Dismissal – Marking Period 1 Ends

AP Capstone Diploma

The AP Capstone Diploma is an advanced high school diploma program developed by the College Board, the same organization that administers the Advanced Placement (AP) program. It is designed to provide high school students with an opportunity to engage in college-level research, writing, and critical thinking skills.

To earn the AP Capstone Diploma, students must successfully complete both AP Seminar and AP Research, as well as four additional AP courses of their choice and earn a score of 3 or higher on the AP exams for those courses.

Last year, only 15,800 students in the world earned the AP Capstone Diploma. Here are our diploma recipients for 2023. Post-secondary plans are included for graduates.

SENIORS

The 2024 Maryland General Assembly (MGA) Page Program

Represent Your School and Your County

January 10 - April 8, 2024

During the 2024 Legislative Session, the Maryland General Assembly (MGA) will host student pages in-person. Each year, 105 pages and 36 alternates are selected from across the State to represent their schools and counties in Annapolis.

The Page Program is non-patronage and open to residents of Maryland who attend Maryland public and nonpublic high schools. Students must be seniors who are at least 16 years old. Selected Pages serve two nonconsecutive weeks during the thirteen weeks of session. During the 13 weeks of session, which runs from the second week in January to early April, each page serves one week during the first seven weeks and returns for a second week of service during the last six. The duties of the pages revolve around the schedule of the chamber. Whenever the chamber is in session, pages must be present. Pages will receive a stipend of \$55 for each day worked to help defray to cost of lodging and meals.

Each county has a County Page Coordinator who oversees the application and selection process and works with their county high schools to identify and serve interested students. Application to the program is based on the school and school system the student attends, not where the student lives. All selection processes will be completed by October 27, 2023 this year. Interested students should contact their school counselor or county coordinator to receive their county's page application and to determine the deadline for submission.

Counseling-Seniors

Attention Senior Families – The Free Application for Federal Student Aid (the FAFSA) is undergoing many changes. Because of this, it will NOT open on October 1st. A final date has not been set but we anticipate that it will open in December. Because of this, we are cancelling our October Financial Aid evening and will reschedule it once we have more details.

Below is a general information sheet. Even though you cannot complete the FAFSA until December, you CAN begin the process by obtaining an FSA ID for students and contributors (parents). That way, when it does open, you are ready to go!

Go to <https://studentaid.gov/fsa-id/create-account/launch> to get started!

Big FAFSA[®] changes are here

Different doesn't mean bad: we've got your back so you don't miss a beat. Completing and submitting the Free Application for Federal Student Aid (FAFSA[®]) just got easier, but you will want to know about changes too so you're prepared!

What do you need?

If you're a dependent student, you'll need this information for you and your parents.

- ✓ You and your parents will need an FSA (Federal Student Aid) ID to access the FAFSA[®] and sign the form electronically. The FSA ID must be obtained at **studentaid.gov** before you start the FAFSA[®], and we recommend applying 3-5 days before you plan on starting the FAFSA[®].
- ✓ Your Social Security number
- ✓ Your parents' Social Security numbers
- ✓ **What do you no longer need?** Student and parent tax documents. All of this information will be automatically accessed from the IRS through the FUTURE Act Direct Data Exchange (FADDX).

Keep in mind that filing the FAFSA[®] is free—you should never be asked to pay to complete the form.

If your financial aid status has changed, you must complete the FAFSA[®] with the information required, and then follow up with your school's financial aid office for further advice.

To be eligible for federal financial aid, you must file the FAFSA[®] for each year you'll be in school.

Submission time frames

- Academic year **2024 – 2025**
Submit your FAFSA[®] beginning **December 2023**
- Academic year **2025 – 2026**
Submit your FAFSA[®] beginning **October 1, 2024**
- Academic year **2026 – 2027**
Submit your FAFSA[®] beginning **October 1, 2025**
