Attendance/Early Dismissal/Lateness

ATTENDANCE:

Did you know that the biggest predictor of student success is attendance? If a student must be absent from school, the student must present an absence note to the Main Office within 3 days after returning to school. The note must include the student's name, grade level, date of absence, the reason for the absence and must be signed by a parent or guardian. If a student is absent for more than three consecutive days, a doctor/physician's note must also be presented. Emails about attendance should be directed to Ms. Patton (spatton3@bcps.org) or to the student's administrator. NOTE: In accordance with BCPS Rule 5120, teachers are not required to provide students absent for unlawful reasons with make-up work but may do so at their discretion and in accordance with their school's established procedures. Class cuts are considered unexcused absences.

Extended Absence: The assistant principal may permit absences during a school year for unusual and/or imperative circumstances. This request must be made in writing to the appropriate administrator at least two weeks in advance of the expected absence.

EARLY DISMISSAL:

Unavoidable requests for early dismissal should be brought to the Main Office before 7:45 AM. The notes must be signed by a parent/guardian with the time and date to be excused, a parent contact number, and the reason for the early dismissal.

- Unplanned early dismissals must be arranged by the nurse or the Main Office. Students must sign out in the Main Office before leaving school property.

- Anyone who signs the student out must have a valid ID and be on our list of those who have approval to pick up the student. Therefore, we must have correct contact information on file yearly.

LATENESS:

To maximize instructional time, it is important that students arrive on time to school each day.

For a student to be counted as present for a full day, the student must be in attendance four hours or more of the school day. All students who arrive after 7:45 AM must sign in at the late check-in desk in the fine arts lobby to pick up a late pass before being admitted to class. A signed note from a parent or guardian explaining the reason for the lateness is required at the time of arrival in order for the lateness to be excused. When the late bus arrives at school, students will be given an excuse note to enter their first period class.

NOTE: Students who are tardy/late without a valid excuse note may not be able to participate in extracurricular activities that school day. This includes athletic events, clubs, etc.

Entrance to the Building: Students may enter the building at 7:15 AM at the main lobby or fine arts lobby. The building is not open prior to 7:15 AM in order to ensure adequate supervision. During inclement weather, students may enter the main lobby at 7:00 AM. Students will need to remain in the main lobby area until 7:15 AM.

PE Classes

Physical Education Classes:

This is an important message for any student who has scheduled a physical education class including Fitness Foundations, Weight Training, or Team Sports for the upcoming school year. All students will be required to have a uniform and combination lock in order to participate safely in class activities. Beginning on August 14th, through September 4th, an online store will be open for students to purchase physical education uniform shirts and shorts. In addition, we ask that students purchase a combination lock at their convenience and bring it to school by September 1st. The link to the store can be found on the PHHS website store: <https://perryhallhighschool2022.itemorder.com/shop/sale>. Purchased items will be delivered to the school and then distributed to students by the physical education department staff.

9th grade Residency Verification

To The Parent/Guardian of Incoming 9th Graders from Feeder BCPS Schools:

If your incoming 9th grader is coming from one of BCPS feeder schools to Perry Hall High School, you were required to provide what is called "**Transitional Residency**" to your child's middle school during the 4th quarter of the 2021-2022 school year. This is done to confirm that the receiving high school has the most recent residency information for your child entering the 9th grade for the upcoming 2022-2023 school year.

If you did not provide this information to the middle school, is it not too late. Please email the following items to Ms. Williams in the School Counseling Office at dwilliams13@bcps.org.

Thanking you in advance for assisting in the smooth transition of your 9th grader to PHHS.

Student Devices

If you are a freshman with a Chromebook, you do NOT need to swap your device.

Summer Reading

Perry Hall High School Summer Reading Assignment 22-23

DIRECTIONS: At Perry Hall High School, we have high expectations for our students and for their reading lives. Over the summer, we expect that they read and expand their minds and their hearts, and they can do this by reading a good book. To simplify this task for them, we are assigning a book to each grade level and each student (many of the books are also available online). If your student is attending a different school, please reach out to that school to find out what summer reading expectations are for that school.
